

RANGA CHAND

Ranga Chand, international economist and financial author, is President of the research and consulting firm Chand Carmichael & Company Limited (established in 1994) based in Ottawa, Canada.

Much in demand as a speaker, he is well known for his down-to-earth, clear, and informative presentations on the subjects of the global economy and investing.

Ranga has held senior positions with Canada's Department of Finance, the Conference Board of Canada (an independent think tank), and a major stock brokerage firm. He has also taught economics at the University of Waterloo, published extensively in the field of economics, and represented Canada at numerous economic forums, including the OECD in Paris, the United Nations, and the World Institute of Economics in Germany.

He is the author of a number of best-selling investment books including *Is Your Retirement at Risk? Winning Strategies for a Financially Secure Future* and the annual editions of *Ranga Chand's World of Mutual Funds*.

Ranga is widely recognized for his unique insights and broad knowledge on the global economy and has extensive expertise in asset allocation analysis and portfolio design. He has developed model client investment portfolios for several blue-chip financial institutions including the Bank of Nova Scotia, The Bank of Montreal, and the Co-operators Insurance Company of Canada.

Ranga is a frequent guest on national television and participates in numerous radio talk shows. He is also a regular contributor on economic and financial issues to the *Globe and Mail*.
